

CAR TREASURE HUNT - Sunday 20th July

A social and fun activity that provides the chance to drive your car around the wonderful Berkshire and Hampshire countryside in pursuit of completing a car treasure hunt. The Treasure Hunt is not a race or car convoy and is suitable for people, families and cars of all ages. It involves plotting clues, testing your navigation skills, driving out and collecting as many points as possible by solving the clues. The event is contained in a defined area along pleasant roads and quiet lanes solving clues of differing levels of difficulty. Fun for everyone!

We will have dedicated use of The Victory Hall in Farley Hill which has a large car park and excellent facilities. There will be coffee/tea/water and biscuits on arrival.
